

Summary Rate Request Change for South Carolina Intrastate Household Goods Tariff

Armstrong Relocation, Charleston, LLC

Certificate Number 2977

Armstrong Relocation, Charleston, LLC is requesting to file a new rate structure for intrastate household goods in the state of South Carolina. Armstrong is currently using the South Carolina Tariff Bureau Tariff No. 7 for rates and pricing. The cost of labor and materials has increased in the past year to the point that Armstrong can no longer operate under the South Carolina Tariff Bureau schedule. Along with this written request you will find a copy of the Class E Amendment Form and the new proposed rate schedule.

The new proposed rate schedule has a non-peak and peak rate schedule for pricing. The peak rate applies from May 15th through September 14th each year. Armstrong Relocation Charleston would like the new pricing tariff to take effect on January 1st, 2022.

An outline of percentage increases from the South Carolina Tariff Bureau tariff to Armstrong's new proposed tariff are listed below. The Peak Season increase is greater than the Non-Peak pricing schedule.
